DFSME Seed Grant Funding Priorities and Deadlines

Winter 2018

For this funding cycle, DFSME will consider proposals for:

- Summer STEM/STEAM camps for students or teachers, with priority given to programs for those at the K-8 level.
- Programs that will train volunteers or others in the effective delivery of K-8 STEM/STEAM curriculum/programs.

Deadlines:

- Letters of inquiry are due by **Wednesday, February 28, 2018**, at noon EST.
- Those who are invited to submit full proposals must submit them by **Monday, April 2 2018**, at noon EST.
