STEM ConnectED Day 2025

Linking Delaware Education and Innovation

Professional Development Hours credited by DOE

Delaware Educators! This FREE Professional Development opportunity offers exclusive access and behind-the-scenes tours of leading statewide STEM, empowering you to bring real-world STEM applications back to your classroom. Witness cutting-edge technologies and innovative practices in diverse STEM fields. Network with industry professionals, gain insights into current industry trends, and discover how these advancements can inspire and enhance your teaching.

You'll have the opportunity to explore TWO top-tier STEM business facilities.
Register for one Morning Session (8:30-11:30) and/or one Afternoon Session (12:30-3:30)
Teachers will earn 3 clock hours per Session.

Complementary light breakfast and boxed lunches will be provided.
